Skill-building workshops focused on actionable strategies for embedding diversity and inclusion within business practices. Our workshops address critical areas such as inclusive recruitment, unconscious bias training, and leadership development for underrepresented groups. All trainings are delivered by senior DEI specialists with extensive corporate experience and a strong track record of measurable outcomes.

Event	Description
RDCC Workplace Inclusion Leadership Program** 3-day training	The RDCC Workplace Inclusion Leadership Program is an immersive three-day training designed to empower professionals with the knowledge, tools, and skills to create and sustain diverse, equitable, and inclusive workplaces. Participants will engage in in-depth workshops, collaborative sessions, and hands-on activities focusing on developing leadership capabilities, strategic planning, and impactful DE&I initiatives.
LGBT+ Inclusion at Work: Awareness and Action for Employers** 1-day training	Transform your organization into a model of inclusivity through our comprehensive 'LGBT+ Inclusion at Work' training. This interactive workshop educates employers about LGBT+ identities, challenges stereotypes, and provides strategies to build a supportive, inclusive environment. By addressing biases and empowering leaders with practical tools, this program fosters respect, innovation, and deeper engagement among all employees.
Seeing is Not Always Believing* 1/2-day workshop	In this engaging workshop, participants will be led by Irina Crocker and Silvia Stelea, two blind trainers, through a series of exercises that challenge preconceived notions of ability. Attendees will step out of their comfort zones, engage their senses, and develop a richer understanding of trust and the power of diversity and inclusion on a deeply personal level.
Beyond Sight: Constructive Visions* 1/2-day workshop	Building on the experiences from “Seeing is Not Always Believing,” this follow-up session takes a deeper dive into societal perceptions of disability and the transformative potential of volunteering. Participants will partake in thought-provoking debates, challenge their biases, and explore ways to expand inclusivity within and beyond their workplace.
Admission	*Spaces are limited to 70 attendees to enable the day to be as interactive as possible. **Spaces are limited to 24 attendees to enable the day to be as interactive as possible.
Price	*€499 per person for members €550 for non-members **€1,499 per person for members €1,650 for non-members If you wish to register to the RDCC’s workshops or trainings, please contact us at contact@rdcc

- **Productivity and workforce participation.**
- **Risk management and regulatory compliance**

The Complementary Research Components

Purple Lei Spending Power

- A Romania-specific estimate of the purchasing power of households including persons with disabilities
 - Consumption behaviour
 - Access barriers.
 - The influence of accessibility on consumer choice

DATA INTEGRITY & NATIONAL COVERAGE

- Employees with disabilities in RDCC corporate member companies, NGO beneficiaries and partners
- RDCC's national AccessABILITY EXPO database

Purple Click Away Lei Cost of inaccessible

- Evidence-based estimates of revenue lost when people abandon inaccessible
 - Digital services,
 - Physical environments.
 - Quantifying inclusion across conversion, loyalty, and retention

Robust national sampling enabled through

- Employees from Unitus Protaicte Autorieate (UPAS)
 - RDCC's national AccessABILITY EXPO database
- Targeted national online outreach

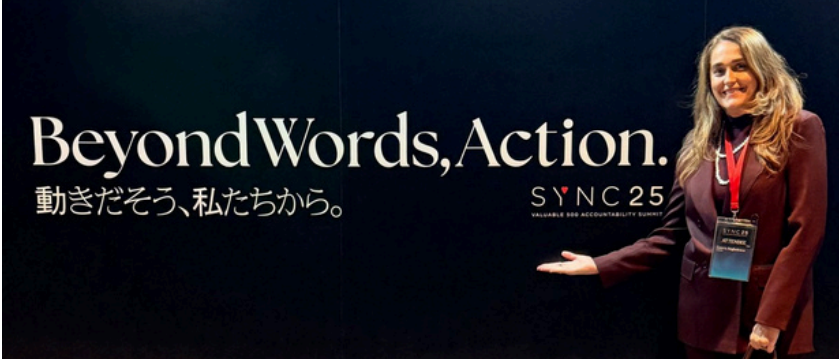

Cost of Discrimination & Exclusion - Macro Impact

- Reduced labour participation
- Productivity losses,
- Under-consumption
- Increased dependency costs

Representativeness, ethics & GDPR compliance are enforced
